

IMC Clubs Lost Communication in the Winter

Cold – Cloudy – maybe some ice - IMC all the way from takeoff to landing. The last thing you need is to lose communications with ATC. Let's look at what you might do (or should do) when that happens.

Directions: Take I-470 to Exit 9, Douglas Drive / Lee's Summit Road turn north. Ignore all of the barriers and Road-Closed signs. The road is open to the airport. At the bottom of the hill, turn right and wind your way past a few more barricades, and follow the road to the end. The hangar is on the west side of the parking lot next to the Cessna on a post.
